

ANTIQUES

Part of the fun of antiques is the drive to the antiques, and there's no more beautiful route to follow than the winding stretch of road outside Lambertville and New Hope where you'll find **Gardner's Antiques**. Their lovely merchandise arrives every other month from France, and those glossy Louis XV buffets, French empire mirrors and Art Deco sconces will mix in a very chic way with, say, the modern couch you got at Minima. 6148 Lower York Road (Route 202), New Hope, 215-794-8616, gardnersantiques.com.
